

THANKSGIVING FOOD DRIVE

Enjoy helping AZPPO as they partner up with Homeward Bound this holiday season by providing a Thanksgiving food basket/box. These boxes will be helping homeless families ready to make a change with a second chance!

Purchase items from the list and place either in a basket or a decorative box. Please include a greeting card and express your Thanksgiving greeting. This could be a department or family project! Please contact Michelle at michelle@mikesswatteam.com by October 31st and let her know how many food boxes you will be able to donate!!!
